Explanatory Notes :

1. The Government provides Guarantees and Counter Guarantees against loan negotiated by various State-owned financial and non-financial enterprises. Most of them are for implementing different public policies and programmes. If the contracting organisations fail to pay their loan in-time, the guarantees are invoked and the liabilities for payment are vested upon the Government. Consequently, this has future fiscal implication. For the first time, to improve transparency, a list of such guarantees and counter guarantees (valid beyond 30th June 2007) is appended below:
