Message

State-Owned Enterprises (SOEs) and Autonomous Bodies (ABs) have a significant role in the delivery of public services such as power, energy, telecommunication, agriculture, water supply, transport, etc., in our country. Many of these SOEs manufacture and supply essential products namely Fertilizer, Cotton Yarn, Petroleum, Jute Yarn, Sugar, Cable, Paper, etc. The financial performance of the SOEs is regularly reported in their Annual Financial Statements (AFS). But independent evaluation of performance of SOEs/ABs has so far been absent. I am extremely happy to know that the Monitoring Cell, Finance Division, Ministry of Finance is going to publish the independent performance evaluation (IPE) report of ten SOEs/ABs for the first time.

The independent evaluation has been conducted based on 'Independent Performance Evaluation Guideline (IPEG) of State-Owned Enterprises and Autonomous Bodies formulated by the Monitoring Cell, Finance Division. An Independent Performance Evaluation Committee (IPEC) comprising professional expert, technical expert, representatives of the Cabinet Division, Sector Specialists from BUET, FRC, FBCCI, concerned line ministries, SOE wing, Treasury and Debt Management wing and Monitoring Cell officials conducted the evaluation based on both financial and non-financial indicators. The objectives of the IPE are to evaluate the actual performance of SOEs, strengthen the oversight and performance monitoring of SOEs/ABs, ensure good governance in the SOEs/ABs, to protect the interest of government investment in the SOEs/ABs and recommend for performance improvement of the SOEs/ABs.

The independent evaluation of SoEs/ABs is critical to create an environment in which the SOEs/ABs will be accountable, transparent, and effective. I firmly believe this IPE report will provide necessary inputs for enhanced monitoring of the activities of the SoEs and ABs. This will also incentivize the SOEs/ABs that are performing well, and highlight the areas of improvement for SOEs showing lower performance.

Last but not least, I would like to extend my deep appreciation for members of the IPEC, officials of the selected Ministries/Divisions/ SOEs & ABs, officials of the Monitoring Cell of the Finance Division and the World Bank team for their unwavering support in ensuring the successful completion of the independence performance evaluation.

MESSAGE

State-Owned Enterprise (SOE)s or Autonomous Body (AB)s are handling 90 per cent of government assets in Bangladesh and delivering critical public services such as power, energy, telecommunication, agriculture, water supply, transport *etc.* These enterprises play an important role in increasing national productivity, value addition, revenue income and employment.

Evaluation of financial and non-financial activities is essential to create an effective environment in which these SoEs/ABs remain well governed, transparent, and efficient. It's good to know that the Monitoring Cell (MC) of the Finance Division, Ministry of Finance has formulated a guideline namely Independent Performance Evaluation Guideline (IPEG) under Strengthening Public Financial Management Program to Enable Service Delivery (SPFMS) Scheme in order to appraise the SOEs and ABs given the fact that the performance of SOEs/ABs have never been independently evaluated in Bangladesh. I am pleased to learn that the SPFMS of the Finance Division, Ministry of Finance, has conducted the first ever evaluation and is now publishing the independent performance evaluation (IPE) report.

I am confident that this IPE report will provide necessary inputs to improve supervisory and managerial instruments for these enterprises. This will also incentivize the good performing SOEs/ABs, while highlights the areas of improvement for relatively weak performers.

I take this opportunity to extend my sincere appreciation for all members of the IPEC, officials of the concerned Ministries/Divisions/SOEs along with a special acknowledgment to the officials of the MC of the Finance Division, Ministry of Finance for successful completion of the IPE of the SOEs/ABs in Bangladesh.

Acknowledgement

The first ever independent performance evaluation (IPE) report of ten SOEs/ABs is going to be published by the Monitoring Cell, Finance Division. The IPE report has been completed under the auspices of component 9: 'Strengthening State-owned Enterprises' Governance' of 'Strengthening Public Financial Management Program to Enable Service Delivery (SPFMS)'. This IPE report will surely underpin finance division's efforts in improving financial performance, governance and oversight of SOEs in their areas of operations. This, in turn, is critical to increase efficiency of SOEs/ABs and reduce fiscal risks to the government. I would like to express my sincere thanks to the World Bank for financing the Scheme.

I offer my deep respect and sincere appreciation to Dr. Md. Khairuzzaman Mozumder, Finance Secretary for his guidance and patronage in getting the report published. It would be a remiss if I do not mention Mr. Shirajun Noor Chowdhury, Additional Secretary (Budget) and the National Program Director (NPD) for extending unflagging support in successfully conducting the IPE of the SOEs/ABs. This endeavour of IPE of selected SOEs/ABs would not have been possible without the expert inputs, comments and suggestions of the IPE Committee and Evaluation Research Team (ERT). I am deeply indebted to the IPE Committee and ERT for their sincere feedback and support in completing this report.

Finally, the time and efforts my colleagues in the Monitoring Cell have dedicated for completing the independent evaluation is much appreciated and duly noted. It was a great comfort and relief for me to count on my able colleagues in timely completion of the IPE report. The SOE wing was also in full cooperation with the Monitoring Cell in preparing the report. I express my enormous gratitude to them.

Executive Summary

Finance Division, Ministry of Finance is implementing “Strengthening Public Financial Management Program to Enable Service Delivery (SPFMS)” of which the Scheme of Strengthening of State-Owned Enterprises’ Governance is an important component. The objective of the scheme is to strengthen the governance of State-Owned Enterprises (SOEs) and Autonomous Bodies (ABs). Under this scheme Independent Performance Evaluation Guideline (IPEG) was prepared for the SOEs and ABs and approved by Finance Division to evaluate their performance independently. The prime objective of the evaluation is to improve the efficiency, transparency, accountability and overall performance of SOEs and Abs to ensure good governance.

IPEG describes the roles, responsibilities, methodologies, and procedures for carrying out an Independent Performance Evaluation (IPE) of SOEs and ABs. As per IPEG a thirteen-member Committee known as Independent Performance Evaluation Committee (IPEC) has been formed comprising experts and distinguished Professionals from related fields to oversee the IPE process, provide technical advice to Evaluation Research Team (ERT), review IPE reports, provide feedback on those reports and evaluation scores.

The Evaluation Research Team (ERT) comprising the officers and consultants of Monitoring cell and other Wings of Finance Division conducted the Independent Performance Evaluation (IPE) on selected 10 SOEs and ABs for FY 2021-22. SOEs and ABs are evaluated using different financial and non-financial indices with weights which are specific for each SOE or and AB. Indicators and sub-indicators of IPE are evaluated by applying measuring tools set in IPEG.

In Bangladesh, SOEs and ABs are operating in major sectors such as industry, energy, transport, service, construction, telecommunication, water, health, agriculture, education and so on and definitely they are playing a vital role in the economic growth and development of the country. To ensure good governance a sound performance evaluation of SOEs/ABs is required. IPEG provides technical and operational guidelines for Independent Performance Evaluation (IPE) of SOEs and ABs.

To fulfill the requirement of DLR 7.3 of the Strengthening of State-owned Enterprises scheme, ten SOEs and AB's have been selected for Independent Performance Evaluation for FY 2021-22. They are Chittagong Port Authority (CPA), Bangladesh Bridge Authority (BBA), Bangladesh Oversees Employment and Services Limited (BOESL), Khulna Development Authority (KDA), Bangladesh Small and Cottage Industries Corporation (BSCIC), Bangladesh Power Development Board (BPDB), Bangladesh Petroleum Corporation (BPC), Bangladesh Shipping Corporation (BSC), Bangladesh Forest Industries Development Corporation (BFIDC) and Bangladesh Parjatan Corporation (BPC).

These 10 SOEs and ABs operate in industry, utility, transport, and communication, commercial, construction, and service sectors. Among them, some are commercial entities and rest are partially commercial with public service obligations.

As per IPE, the selected 10 SOEs and ABs have obtained the following weighted scores and grades for FY 2021-22.

1. Overview of IPE Process

- i. Performances of non-financial indicators of SOEs and ABs has been evaluated on the basis of information and documents of the inception report provided by SOEs and ABs.
- ii. Actual performance of non-financial indicators is determined by the collective decision of ERT members.
- iii. According to IPEG, actual financial performances of SOEs and ABs are to be evaluated on the basis of national best practices/standard. However due to non-availability of such standard and similar entities in the country, SOEs and ABs' financial performance was compared with its last five years' performance on respective financial indicators.
- iv. The performance of all financial indicators is evaluated based on audited financial statements.
- v. Measurement tools used for financial indicators are suggested based on IPEG. Standard of APA Indicator is set on the basis of Annual Performance Agreement (APA) Guideline.
- vi. Grade and score are given as per IPEG.

2. Rationale of Selection of SOEs and ABs

Based on selection parameters of Independent Performance Evaluation Guideline (IPEG) of State- owned Enterprises and Autonomous Bodies, Monitoring Cell, Finance Division has selected following nine (9) SOEs and one (1) AB to conduct Independent Performance Evaluation (IPE) for the fiscal year 2021- 2022.
