### Independent Auditor's Report TO THE CHAIRMAN OF Chittagong Development Authority

#### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of **Chittagong Development Authority** ("the Authority"), which comprise the Statement of financial position as at June 30,2020 and the Statement of comprehensive income, Statement of cash flows For the year then ended and Notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Organization as at June 30, 2020 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with ethical requirement that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs, and other applicable laws and regulations and for such internal control as Organization determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Organization is responsible for assessing the Organization's ability to continue as a under historical cost convention, disclosing, as applicable, matters related to under historical cost convention basis of accounting unless Organization either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Statements can arise from fraud or error and are considered material if, individually or in the segregate, they could reasonably be expected to influence the economic decisions of users taken on the session of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional stepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk if not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the under historical cost convention basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a under historical cost convention. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a under historical cost convention.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

we communicate with those charged with governance regarding, among other matters, the planned stope and timing of the audit and significant audit findings, including any significant deficiencies in sternal control that we identify during our audit.

#### We also reportthat:

- a) we have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Organization so far as it appeared from our examination of those books; and
- c) The Organization's statement of financial position and statement of comprehensive income dealt with by this report are in agreement from our examination of those books.

#### 22.5 Deferred tax assets and liabilities

This is the amount of income tax payable or recoverable in future period(s) recognized in the current period and does not create a legal liability/recoverability to and from the income tax authority. The authority did not calculate deferred tax assets or liabilities for the purpose of disclosing the same in the financial statements.

#### 227 Risk analysis

The authority's management has overall responsibility for the establishment and oversight the risk management framework. Policies are established to identify and analyse the risks faced by the authority to set appropriate risk limits and controls and to monitor risks and adherence to limit. Risk management policies, procedures and systems are reviewed regularly to reflect the authority's activities.

# Chittagong Development Authority Notes to the financial statements, including a summary of significant accounting policies for the year ended June 30, 2020

The authority has three types of risk. These are (i) Credit risk, (ii) Liquidity risk, and (iii) Environment risk.

Credit risk implies risk of financial loss to the authority with a customer or counterpart to a financial instrument fails to meet its contractual obligation which arises from the authority's receivable and investment.

Liquidity risk is the risk that the authority will encounter difficulty in meeting the obligation associated with its financial liabilities that are settled by delivering cash. The authority's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the authority's reputation.

Environment risk implies to maintain natural, beautiful and healthy environment in the city. The authority's management takes effective and lawful measure in this respect in carrying out the development, improvement and expansion work.

#### 22.8 Related party transactions

The authority has transaction with related party in the normal course of business as below:

Name of party	Relationship	Nature of transaction	Balance as on 30.06.2020
CDA Girls School & College	Associate Institution	Accounts receivable	82,600,000.00
CDA Public School & College	- DO-	- DO-	22,500,000.00
ShishuKanon Kindergarten School	- DO-	- DO-	22,310,575.00

#### Events occurring after balance sheet date

Contingencies arising from claim, lawsuit, etc. are recorded when it is probable that a liability has been incurred and the amount can reasonably be measured. But, there are no transaction made between the cut-off dates and signing date of these financial statements which can affect the disclosed financial position of the authority.

## Chittagong Development Authority Notes to the financial statements, including a summery of significant accounting policies For the year ended June 30, 2020

#### Investment (Fixed Deposits) : Tk. 1,276,096,595.00

The above amount represents Fixed Deposits with various Schedule Bank as shown in Annex-1.
